Our History

The Family of Innerhofer dates back to 1487.

It has a very appropriate connection to the historic discovery date of the Cape of Storms by Bartolommeo Dias, it being the exact same year.

Today the Cape of Good Hope is home to the Innerhofer Family. The stork symbolizes a strong family bond and copious offspring. The Family Crest of Mauri, descent from Northern Africa, Mauritania, with the crown and the two black moors, symbolizes virility, protection and growth.
